Tomorrow is a path I've yet to choose,
it's a chance I've yet to take,
a friend I've yet to make,
It's all the talent I've yet to use.
Tomorrow is a dream that leads me onward,
always just a step ahead of me . . .
it's the joy I've yet to know,
the love I've yet to show,
for it's the person I have yet to be.

Carlton C. Albritton
Fairhaven High School
Principal

To Class of 1984

When you receive your "Huttlestonian", your days at Fairhaven High School will be limited. The joy, happiness and good times you have had will be long remembered.

The golden days of Fall, snow storms of winter, the sweet-smelling flowers in spring and the long, lazy days of summer will pleasantly guide your thoughts to your youth and your high school years.

It is my sincere wish that your years spent here will make your life rewarding and more enjoyable. My congratulations upon completing your high school career and best wishes for much happiness and success.
